| extra long description | 3M 7100169254 3M™ Temflex™ Vinyl E                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Features               | 3M™ Temflex™ Vinyl Electrical Tape 165 is a 6-mil thick, multi-purpose vinyl insulating tape available in 10 colors. It is designed to perform in ambient temperatures up to 194°F (90°C). The tape is conformable for cold weather application down to 32°F (0°C). It has excellent resistance to abrasion, moisture, alkalis, acid, copper corrosion and varying weather conditions. The combination of an elastic PVC backing and pressure-sensitive rubber-based adhesive provides electrical and mechanical protection w |
| Long Description       | 3M™ Temflex™ Vinyl Electrical Tape 165, Black, 3/4 in x 60 ft (19 mm x 18 m), 100 Rolls/Case                                                                                                                                                                                                                                                                                                                                                                                                                                  |
