| extra long description | MILW 49-24-0146 12V LED WORKLIGHT                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Features               | The M12 series offers solutions that deliver portable productivity. They take on the tightest spaces and are specifically built to go anywhere. They are trade focused, system wide, lightweight with ergonomic design make portability easy, and operation faster and more productive.                                                                                                                                                                                                                               |
| Long Description       | The M12™ cordless LED work light outlasts and outperforms all other subcompact lights. Powered by an M12™ Red Lithium™ battery, the work light is 2X brighter and whiter than conventional incandescent bulbs and runs up to twice as long. With a sealed aluminum head to provide impact and weather resistance, Milwaukee® provides a limited lifetime LED warranty. A magnetic back allows hands-free use while a 90 degree rotating head allows the user to easily point the light beam at the desired work area. |
| Product Type           | 12V Led Worklight                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Short Description      | 12V LED WORKLIGHT                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
