Descriptions

Description	12-10AWG CLOSED END WIRE NYL CONN W/CRMP SLV
extra long description	NSI C12-N 12-10 Awg Closed End Conn
Features	Connecting wires is faster and easier than ever with the professional performance features of Easy-Twist wire connectors from NSI. These closed-end connectors feature a corrosion and chemical resistant nylon cover over a metal crimp cap wire terminal. These connectors are easy to install; simply twist your wires together to form a connection, then slide the closed end butt connector over the pigtail and crunch it tight with adjustable pliers or a specialized crimping tool. We designed these closed-end conn
