|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number   | FNQ112                                                                                                                                                                                                                     |
| Manufacturer     | Bussmann Fuses                                                                                                                                                                                                             |
| Description      | Eaton Bussmann Series FNQ Fuse, Time-Delay, Motor Control Transformers, Circuits With In-Rush Currents, 1.5 A, Non-Indicating, Ferrule End X Ferrule End, 10 Kaic At 500 Vac, Nickel-Plated Bronze Endcap, Standard, 500 V |
| Weight per unit  | 0.1750 (lbs/each)                                                                                                                                                                                                          |
| Product Category | Small Dimension Fuses                                                                                                                                                                                                      |

### Features

|                  |                                   |
|------------------|-----------------------------------|
| amperage rating  | 1-1/2 Amp                         |
| class            | Supplemental                      |
| connection       | Ferrule End X Ferrule End         |
| dimensions       | 1.5000 IN X 0.4100 IN X 0.4100 IN |
| interrupt rating | 10000 Amp (RMS Symmetrical)       |
| Material         | Nickel-plated bronze endcap       |
| media            | Yes                               |
| Voltage Rating   | 500 VAC                           |

### Dimensions and Weight

|      |                                     |
|------|-------------------------------------|
| Size | 13/32 In Diameter X 1-1/2 In Length |
|------|-------------------------------------|

### Descriptions

|                        |                                                                                                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| extra long description | BUSS FNQ-1-1/2 BUSS MIDGET FUSE                                                                                                                                                                                            |
| Features               | Bussmann offers the broadest selection of Supplemental and Midget fuses in both time-delay and fast-acting designs with voltages as high as 600Vac and 600Vdc.                                                             |
| Long Description       | Eaton Bussmann series FNQ fuse, Time-delay, Motor control transformers, Circuits with in-rush currents, 1.5 A, Non-indicating, Ferrule end x ferrule end, 10 kAIC at 500 Vac, Nickel-plated bronze endcap, Standard, 500 V |
| Product Type           | Buss Midget Fuse                                                                                                                                                                                                           |
| Special Features       | Nickel Plated Brass Endcap                                                                                                                                                                                                 |

### Manufacturer Information

|                           |                |
|---------------------------|----------------|
| Brand                     | Eaton          |
| GTIN                      | 00051712786249 |
| Manufacturers Part Number | FNQ-1-1/2      |
| UPC                       | 051712786249   |
