Descriptions

Description	ITG-3/0 SER REPL SLV
extra long description	NSI SITG-3/0 Polaris Gry Replacment
Features	The Polaris SITG-3/0 10-Pack of Replacement Sleeves for Polaris Grey Connectors helps reuse any connectors sized for 3/0 â€” 4 AWG wires. Tightening the set screw of a Polaris Grey connector crimps the internal ferrules to form a strong connection with fine-strand wires. These sleeves replace that crimped part, allowing the connector to be reused like new. Polaris Grey provides the simplest solution for forming a secure connection between fine-stranded wire conductors in applications including cable trays,
