| extra long description | P&S TP262GRY TRADEMASTER PLATE 2G 2                                                                                                                                                                                                                                                                                                                                                        |
| Features               | The TradeMaster Registered thermoplastic 2-gang decorator wall plate provides maximum durability in plastic wall plates. Self-extinguishing nylon construction makes these wall plates virtually unbreakable. They are 3/16 of an inch higher and wider than typical plastic wall plates - not enough to be apparent to the eye, but the extra size cuts cost by reducing dry wall rework. |
